THE BIG RED BARN

*A page for children by Margaret Wise Brown
Drawings by Leonard Weisgard*

In the big red barn
In the grass-green field
There was a little pink pig
Who was learning to squeal.

There was a great big horse
And a very little horse,
And on every barn
There is a weather vane, of course.

And a big brown cow
And a little brown cow
And an old black cat, Meow Meow.
And a little black cat, Meow Meow.

There was a big red rooster
And a big white hen
Standing on one leg,
And under the hen was a quiet egg.

And a fat gray mouse,
Eek eek, Eek eek.
And some little gray mice,
Squeak squeak, Squeak squeak.

And an old red dog,
Bow wow, Bow wow,
With some little puppy dogs
All round and warm.

And they all lived together in the big red barn.
